

10 YEARS Decatur Sculpture Tour™

Decatur Sculpture Tour 10th Year Anniversary Book 2012-2021

This year marks a milestone for the Decatur Sculpture Tour—our 10th year! In celebration of the ten years, a commemorative book has been published. The book brings Decatur cultural history to life and details the story about how the Decatur Sculpture Tour got started and its growth over the last decade. Also included are pictures of every sculpture from each year's exhibit, and listings of all the artists and sponsors through the years.

The book is compiled by Dianne Rose who volunteered as a Decatur Sculpture Tour committee member for many years.
